

Halifax Helps Out!

The 2008 Atlantic Alliance of Insurance Brokers convention took place last October in Sydney, NS. Sovereign's hospitality room was used to promote the Children's Wish Foundation and at the same time, raise some donations. We were also fortunate to have the local chapter representative of Children's Wish attend and spend some time with our group.

Our suite had a cash cube and a wheel of fun where participants had the opportunity to win prizes. We also displayed a Children's Wish presentation that ran all night with photos of regional children receiving their wishes.

In the end we raised \$830 in 2.5 hours. One of the industry's service suppliers, Blair Stewart of Winmar, matched the donations we raised in the evening bringing our total up to \$1660!

The Sovereign General Insurance Company's staff volunteer their time and money in addition to the \$1,000,000 that the company has donated over the past five years. Thanks, Sovereign General, for making these wishes reality.

Jennifer's Dream

Nine-year-old 'Princess Jennifer', who lives in Halifax, was diagnosed with Burkett's Lymphoma. Her wish was granted in March, 2008 when she traveled to Disneyworld with her Mom, Dad and brother Gregory to meet Cinderella. In her spare time she likes to listen to Shania Twain, play on her computer and watch Scooby Doo movies! Jennifer would like to become a teacher or a veterinarian when she grows up!
