

Darren's on the Move

Darren's wish was to receive a cattle trailer because he enjoys showing cattle at local fairs. Darren is a 17-year-old boy diagnosed with Osteosarcoma in 2007. He relapsed shortly before his wish referral in February of this year.

"Here is picture of Darren, Tinkerbell, and their new cattle trailer.

"Thanks everyone, for making a wish come true, we are all thrilled!!

"Thank you so much!!!"
John and Ilse (Darren's parents)

The Sovereign General Insurance Company's staff volunteer their time and money in addition to the \$1,200,000 that the company has donated over the past six years. Thanks, Sovereign General, for making these wishes reality.

"I want to be a princess!"

Zoe was born with a congenital heart defect which has made life more complicated for her and her family. This little girl has been in and out of the hospital since birth, and has already had two major surgeries on her heart. Zoe is only five.

Despite her serious illness, Zoe is always seen with rosy cheeks and a smile on her face. This young lady loves to sing and play with her dolls, and she loves music, especially Rafi and Shania Twain. Zoe is reading *Curious George* books, and her favorite part of the school day is coloring and making crafts.

When she grows up, Zoe wants to be a princess, so it's no surprise that her wish is to go to Disneyworld and meet her favourite royal dame, Cinderella.

Zoe and her sisters, who are seven and one-and-a-half, together with their mom and dad will venture away to the magic kingdom early in 2010. Zoe can't wait to meet the world-famous princesses and see Cinderella's castle with her very own eyes!
