

Sovereign Talent Search

Your Opportunity: Information Technology Project Manager

Employment Type: Regular, Fulltime

Location: Calgary, AB

We are looking for a Project Manager to join our Information Technology team in Calgary. This role is responsible for leading and motivating project teams through the planning, monitoring and execution of medium to large scale projects involving various business areas. The successful candidate embraces agility, thrives on collaboration, and is eager to be a part of redefining the future of IT at Sovereign. You will be knowledgeable with regards to both waterfall and agile methodologies, with the experience to create a hybrid approach to allow successful execution through an environment of change. Your project repertoire includes internal/external stakeholder management, vendor negotiations, Commercial off the Shelf (COTS) and/or Software as a Service (SAAS) solution delivery.

Your Impact:

- Encourage and advocate for the adoption of modernized software and practice improvements to be leveraged during project execution.
- Facilitate discussions regarding project deviations, obtaining multiple viewpoints to negotiate successful resolution.
- Support and encourage team members to focus on continuous delivery to expedite benefit realization and provide valuable technological solutions to organizational challenges.
- Collaborate with project stakeholders and team members through project planning activities, risk identification, analysis, and development of applicable project artifacts.
- Proactively identify opportunities to innovate or improve operational excellence.
- Provide a creative approach to problem solving, relationship management, and communication to drive effective results.

Your Expertise:

- Agile Certified Practitioner (PMI-ACP) certification and/or Project Management Professional (PMP) certification, with 5 years of experience delivering IT projects, or equivalent combination of education and experience.
- Proven experience with various execution and delivery methods (agile, iterative, continuous delivery etc.).
- Proficient in Microsoft Office suite, specifically MS project, Excel, SharePoint, One Note/One Drive, and Outlook.
- Experience in the Insurance Industry and/or familiarity with JIRA/Confluence/Zephyr considered an asset.

The successful candidate shall be subject to a Criminal Record and Consumer History background check as a condition of employment.

Your Next Steps:

To learn more about the impact you can make. Apply to join Sovereign's talented team of professionals and stand out from the crowd!

Apply by email at careers.IT@sovgen.com

*Please state the job title in your email subject line.

Application Deadline: December 21, 2018
